Summer Issue 2019

Hello Parents, Carers and Friends of St Anthony's Primary School. Now the new school year is upon us, we wanted to share our fantastic achievements. Last year we raised so much for our school and we were able to be in a position to give out the money where it has been needed. We have been able to do this from fund raising through some of the new events we offered:

Movie Nights

Last year we tried a new event: Movie Nights. The children in Key Stage 2 took a vote with their School Council and chose The Greatest Showman. For Key Stage 1 we chose Barefoot which they thoroughly enjoyed. All the children really enjoyed this experience. We made an astounding £292.17 from these two events.

UPCOMING EVENTS

October-
Family Games
Night

Smarties Challenge

December-
Xmas Fete

February-
Bingo

March-
Mothers' Day Sale

June-
Fathers' Day Sale
Talent Show

July-
Summer Fete

Mothers' and Fathers' Day Sales

We also introduced Mothers' and Fathers' Day sales last year. This was a lovely fund raiser which saw children using their own initiative and thoughtfulness, when choosing a gift for their loved ones. These shops raised £569.64 which I think you will agree is a whopping amount from such a humble event.

We also have tried new ventures such as the Easy Fundraising online which is a programme that makes money from your online shopping and donates it to us. This has raised £432.58 to date. We have also held wreath workshops, refreshments and a Smarties challenge which have all helped towards our profit of £4104.94 plus the summer fete profit of £1794.00

School Donations

This year we have helped to replenish sports equipment for Key Stage 1 and Early Years for their break time use. It was agreed that we would also make an annual donation to Forest School refreshments. The PTFA received a request towards reading material which we have now paid for. The Year 6 Leavers' Disco buffet was provided by the PTFA as a leaving gift. We are also supporting the funding of the new sound system in the hall and new Fire doors. In the next school year we are looking to Fund First Aid training from St Johns Ambulance Service for Year 6.

Our current Chair Adrian Humphries is looking to retire as Chair at the end of the school year, so if anyone is interested in applying please contact him by the 8th September. Thank you.
