

Risk assessment	Prevent, extremism and radicalisation
School	St Anthony's Catholic Primary School
Date	25/9/17
Review date	9/18
Completed by	Mrs T Davis

Wolverhampton Context	The current risk to Wolverhampton is LOW, which makes us a non-priority area according to the Home Office. The current nature of our threat and risk would be equally international counter-terrorism and far right extremism.
School/local context	Local demographics are largely White British. The school has a growing population of Polish children.

Prevent Duty	YES/NO	Risk	Evidence/Mitigation
Risk assessment/policy: Does the school have a Prevent risk assessment? Are risk assessments completed for individual pupils? Does the school have a safeguarding policy which includes a Prevent statement and information?	Yes no Yes	L L L	The risk assessment will be reviewed as required or upon receipt of local intelligence. The school currently has no pupils identified at risk of extremist ideology. Prevent is included in our safeguarding policy
